Presents: **MIKE SPILLER**

Games of the World

Who is Mike Spiller?

Games throughout the centuries are Mike's Interest, but he is certainly a man of our times and in his 30 years of coaching, teaching and directing camps, Mike has traveled to forty countries and delivered well over a thousand workshops. Spiller is a "Gameologist" with a L. T. D. F. (license to deliver fun). He is owner of "Games of the World" and is co-director of "Physicians of Phun." It has been said that his training sessions are high energy and unforgettable.

The theme of every interactive play session is "Knowledge, Nurture and Novelty." He believes that once you've stimulated a person's mind, they will never be the same. His varied experience, vast knowledge, enthusiasm, and leadership abilities make him one of America's most outstanding recreational leaders. Raised in Texas, Mike has been involved with youth work since the early 70's. During his travels, he presents a variety of workshops and collects data on the social play of children. Motivate and empower your staff with a world of unique games and activities taught by Mr. Spiller. You will say, "Thank you so much" after receiving training from the "Texas Games Guru."
